ABOUT

I'm **TAUIL Abd Elilah**, a 26-year-old **researcher PHD student** in the field of deep learning. I hold a **master's degree** in computer science, **technical writer** at Paperspace, **Zindi Ambassador** in Morocco, **teaching assistant** on various courses (Programming, operating system), **Kaggle expert**, I have a deep passion for Artificial Intelligence, Data Science, and problem-solving. My journey into the world of data began back in 2018, and ever since, I've been dedicated to enhancing my skills. My goal is to use data to make a positive impact on society and the world and **looking for a new challenge**.
